jrock255@hotmail.com

To obtain a front end full stack development job to utilize my years experience and expertise in html5, CSS, and JavaScript to effectively and efficiently provide development expertise to an organization to create innovative products as well as enhance the internal and external client and customer experience.

WORK EXPERIENCE

Park Worker

Farmington City Parks and Recreation - Farmington, UT

February 2020 to November 2020

1. Cleaned park, began picking up garbage and changing trash bags, raked leaves, and sanitized physical things in the park to create a safe and welcoming environment for park guests.
2. Trimmed edges by using a hedge trimmer to create a physically welcoming space as well as preventing any overgrowth within and outside on the edges of the park
3. Cleaned mower through removing full bags and cleaning the blades to prevent any clogging of the mower to ensure the longevity of the device as well as ensure that it works efficiently so that all essential functions can be performed in a timely manner.
